PRALET

TRUSTED BY LEADING BRANDS

PRALET is a deli + bakery that's all about bold flavors, good vibes, and doing things properly — from scratch. We serve up handcrafted sourdough sandwiches and the fluffiest sourdough donuts you'll ever have — square-shaped, fried fresh, and dangerously addictive. Everything's made in-house, because we believe if you're going to do something, you might as well do it right.

For us, it's all about balance — great taste, perfect texture, and that moment when the first bite makes you go “damn”
